## Introduction

Presented for University review is the revised 2020-2021 Consolidated Operating Budget for Associated Students Incorporated of California State University, Long Beach (ASI). This budget was revised and adopted by the ASI Senate on October 14, 2020, as required by the continued constraints on revenues caused by the COVID-19 pandemic. As is customary for ASI, department managers collaborated with their respective oversight boards and student representative colleagues to ensure that student concerns and objectives were reflected in the budget priorities.

Unique to this budget cycle is the consideration of significant and constantly changing economic and programmatic impacts resulting from the COVID-19 global pandemic. Upon adoption of this revised budget, ASI is experiencing continued losses in commercial revenue, increased facility operations costs, and continued uncertainty related to how alternative university instruction and programmatic closures will ultimately impact revenues and expenses. Previous long-term existing priorities remain, including the need to meet increasing fixed costs, compliance with increasing minimum wage obligations, maintenance of outdated facilities, and investment into employee benefits and retirement obligations.

The revised 2020-2021 Consolidated Operating Budget includes operating budgets for two discrete funds supported by the Associated Students (AS) fee and the University Student Union (USU) fee, respectively. This revised budget proposes expenditures of \$16,481,870, a decrease of \$2,785,610, or 15% from the budget under which ASI operated at the beginning of the 2020-2021 fiscal year. Multiple restrictions have been placed on various budget expenditure line items, allowing ASI management to control spending. Those are described in detail in the subsequent narrative section.

# Budget Opportunities, Challenges & Operating Priorities

The following section highlights the budget opportunities, challenges, and priorities ASI is experiencing in the current year. Although ongoing impacts of the COVID-19 global pandemic are uncertain, these factors attempt to maintain progress related to ongoing operating plans while accounting for likely impacts to ASI.

## Increase in Student Headcount

In the prior fiscal year, 2019-2020, mandatory student fees constituted roughly 75% of the revenue supporting the ASI budget. With the exception of those who are eligible for fee waivers, these fees are paid by students regardless of the number of units in which they are enrolled. Understandably, the ASI operating budget is sensitive to fluctuations in headcount.

The operating budget presented herein is based on projected student headcount of 80,644 for the 2020-2021 academic year. This is a 2.8% increase from the enrollment projection used in the prior year. Although this increase results in increased FY 20/21 fee revenue, the impact of fixed and increasing operating costs, as well as new operating costs demanded by COVID-19 protocols, continues to require difficult budget decisions such as furloughs, postponed hiring of vacant positions, delayed investment in capital projects and deferred maintenance, and restricted investment in reserves and long-term employee benefit obligations.

# Minimum Wage Increases

The minimum wage in California will increase on January 1, 2021, for the sixth time since 2014. This will be followed by a subsequent increase of \$1 per hour on January 1, 2022, when the minimum wage reaches \$15 per hour.

ASI is one of the largest employers of student assistants on the CSULB campus. Just over 400 students were on payroll as of June 30, 2020, although a majority of those students are currently on furlough due to the impact of COVID-19. Notwithstanding the current furlough situation, the minimum wage increases represent ongoing payroll obligations and also present continued salary compression issues among other part-time student personnel and several sets of full-time professional employee groups. This factor is being considered in future budget plans. For FY 20/21, these minimum wage increases represent an increased cost of \$320,000, and related statutorily-required wage increases for some exempt employees represent an increased cost of almost \$50,000.

# **Operating Adjustments**

In order to meet ASI's priorities of continuing to deliver student programs and services in mostly virtual formats, ASI management, in close coordination with each department, has developed alternative operating plans, personnel retention efforts, and extensive health and safety plans in order to adapt to a new instructional year. Departments have experienced deep operating losses, increased costs related to COVID-19, and rest with uncertain FY 20/21 revenues. In order to manage these related impacts, the ASI Senate approved this revised budget to recalculate revenue projections, further restrict spending, and allow for the management of unknown future budget impacts. In addition to the reversal of a planned staff cost of living adjustment and the permanent closure of the ASI Recycling Center, this budget accommodates the reversal of planned allocations to reserves and capital improvements; reductions in some utility and operating expenses; reductions in some student activity expenses that shifted from in-person to virtual formats; and a pause to staff travel and some professional development funds. Some of these measures are described below.

## **ASI Capital Outlay**

Most capital expenditures remain intact for maintaining, upgrading, and future planning associated with the University Student Union and Student Recreation & Wellness Center. The previously planned allocation of \$100,000 in FY 20/21 to address deferred maintenance primarily at the Isabel Patterson Child Development Center has been restricted.

# **ASI Recycling Center Closure**

After nearly fifty years of operation on the CSULB campus, The ASI Senate adopted the permanent closure of the ASI Recycling Center within the previously adopted FY 20/21 Operating Budget. The center represented a long-standing commitment to environmental protection and sustainability through its mostly student-run California Redemption Value (CRV) processing and buy-back program, on-campus recycling service, and student and community education. However, its continued operation was untenable following almost ten years of revenue losses driven by ASI's commitment to operate services at no charge to the campus, changes in the national and international recyclable materials market, and most recently the dramatic loss in revenues due to COVID-19. The impact of this decision on the FY 20/21 budget is the elimination of planned losses totaling \$60,000, which would have grown due to the center's continued pandemic-induced closure.

### Reserves

Aside from CSU-mandated reserve allocations associated with the Student Union (USU) and Student Recreation and Wellness Center (SRWC) capital program, all planned unrestricted reserves allocations have been cancelled for the current year. This is detailed in the Reserves tables referenced on page 6.

## Student and Staff Professional Development

Consistent with California State University (CSU) guidelines on FY 20/21 travel restrictions, ASI has eliminated all planned travel and most related professional development funds in order to ease expenditure pressures in other budget line items. Travel typically represents a meaningful portion of ASI's annual operating budget (over \$150,000 in FY 19/20), which includes support for student study abroad scholarships, student assistant travel, full-time professional staff travel, conference and meeting attendance, and offsite trainings. Previously planned professional development expenditures represented \$51,000 of ASI's annual operating budget.

### **VEBA Contributions**

In FY 11/12, ASI established voluntary employees' beneficiary association (VEBA) trust accounts into which funds are being deposited for the purpose of funding ASI's Other Post-Employment Benefits (OPEB) liability in future years. At June 30, 2020, Associated Students reported a net OPEB liability of \$6,041,214 per the GASB actuarial report. The net OPEB liability was measured as of June 30, 2020 and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of July 1, 2019. The total plan fiduciary net position (assets) as a percentage of the total OPEB liability was 26% or \$2,171,632 as of June 30, 2020. A planned additional VEBA contribution of \$35,000 for the AS fund has been restricted, but current year contributions for the USU/SRWC fund remain intact.

# Revenue and Support Detail

## **Revenue from Student Fees**

## **Associated Students Fees**

The 2020-2021 AS budget includes net revenue of \$5,340,946 in AS fees based on enrollment projections provided by the CSULB Office of Budget and University Services. This represents an increase of \$589,078 over the amount budgeted for FY 19/20. The increase is attributable to the growth in headcount and inflationary adjustment. Table 1 of this summary provides an accounting for the revenue generated.

## **University Student Union Fees**

The USU budget includes net revenue of \$15,737,621 in USU fees. This represents an increase of \$381,205 from the FY 19/20 adopted budget. The increase is attributable to the increase in headcount enrollment. \$6,120,446 is subsequently apportioned to provide for payment of debt service and Chancellor's Office overhead, as well as contributions to reserve accounts. This results in a remaining balance of \$9,617,175 available for allocation. Table 2 provides an accounting for the revenue generated from the USU fee and its subsequent application.

# **Revenue from Operations**

In addition to revenue from mandatory student fees, AS has budgeted the generation of \$996,292 in revenue from operations, a decrease of 51% from the prior year, attributable to impacts from the COVID-19 pandemic. The USU/SRWC has budgeted \$527,457 in revenue from operations, a decrease of 75% from the prior year, attributable to impacts from the COVID-19 pandemic.

These losses in enterprise revenue, mainly from commercial activities, present the primary strain on ASI's operating budget in the current year, demanding severe expense reductions and deferrals in order to navigate the uncertain fiscal landscape through the end of FY 20/21.

## Personnel & Benefits

#### **Salaries**

The 2020-2021 operating budget includes no cost-of-living increase for all full-time positions.

# **Part-Time Wages**

The budget includes \$1,651,944, representing a 63% decrease from the prior year. The minimum wage increase noted earlier has been included in the operating budget for each department. To avoid wage compression, the minimum wage adjustment has been applied to all student assistant positions, effectively providing a \$1 per hour increase across the board effective January 1, 2021. The budget does not include funding for student assistant merit increases.

### **Mandated Benefits**

Unemployment insurance rates have decreased for FY 20/21, from 0.22% to 0.21% of wages. Workers' Compensation rates have decreased for employees performing clerical and administrative duties and for those performing recreational and childcare duties. Rates have increased for staff performing manual labor and sales activities. Employer contributions for FICA and Medicare have been budgeted at 7.65% of applicable wages.

# **Discretionary Benefits**

Based on information provided by our insurance providers, ASI anticipates increases of 3.0% in medical insurance premiums for the second half of FY 20/21. Vision and life insurance premiums will not increase since ASI is under a multi-year contract. ASI's contribution for employee and dependent coverage has been budgeted at the corresponding contribution rate for CSU employees.

The USU budget includes \$97,643 for the payment of medical and dental benefits for eight retirees. The AS budget also includes \$64,455 for the payment of medical and dental benefits for seven retirees.

ASI has withdrawn from the PERS medical insurance program and discontinued its provision of retiree health benefits for employees hired on or after January 1, 2013. The corporation has also established VEBA trust accounts into which funds are being deposited for the purpose of funding this liability in future years. The ASI 2020-2021 operating budget includes \$250,000 contributions to the USU/SRWC fund. As noted earlier, AS contributed \$500,000 during FY 18/19 but has delayed contributions in the current year.

#### **Pension Benefits**

The proposed budget continues ASI's participation in the Public Employees' Retirement System (PERS). ASI will continue to deduct mandatory employee contributions from each salaried employee's semi-monthly paycheck. As in the past, ASI will cover the first \$50 of each employee's contribution amount for those hired before January 1, 2013. This results in an annual benefit expense of \$20,400 that has been included in the budget. AS will also pay employer contributions to PERS at the rate of 12.868% of Tier 1 wages, 10.668% of Tier 2 wages, and 7.072% of wages for those employees who are subject to the Public Employee Pension Reform Act (PEPRA). These rates represent the Employer Normal Cost rate only. In a departure from previous years, the annual Employer Unfunded Accrued Liability (UAL) Contribution has not been included in the rate. Instead, this amount has been presented separately under Post-Employment Benefits in an amount of \$155,914 for AS and \$270,172 for the USU.

## Reserves

# **Fiscal Viability Report**

In accordance with California State University policy governing auxiliary organizations and ASI policies on reserves, the Fiscal Viability Report below is presented as part of the 2020-2021 ASI Consolidated Operating Budget.

#### **Associated Students Reserves**

AS maintains the reserves presented in Table 3 in the accounting records of Associated Students Incorporated. In the event any of the reserves fall below their targeted reserve levels, the shortfall must be eliminated within a minimum of three years, with at least one third of the deficit balance being funded in each of the three subsequent years' operating budgets. As presented in Table 3, all AS reserves will be at their target levels for FY 20/21.

ASI-Held Reserves	Ending Balance as of 06/30/19	FY 18/19 Transfers To/(From)	FY 19/20 Transfers To/(From)	Reserve Balance FY 19/20

## **University Student Union Reserves**

The USU continues to contribute to the reserve balances required by policy and maintained by the University. The 2020-2021 operating budget provides significant contributions to both ASI-held and University-held reserves as indicated in Table 4 and Table 5.

# **Document Organization**

The remainder of the budget document presents budget detail for each department and funded activity. Budget details for each fund are presented in separate sections. Each section begins with a "Fund" spreadsheet detailing budget information by department or functional unit. Following the fund spreadsheets are the budget narratives and budget spreadsheets for each department or unit within that fund. Please note that the Beach Pride Events and ASI Communications departments appear under both the AS fund and the USU fund as those operations are funded from both fees.

ASI leadership thanks you for consideration of the budget and look forward to your feedback and suggestions on how we might improve future budget presentations. Comments or requests for additional information or assistance may be directed to ASI Executive Director Dr. Miles Nevin at extension 5-4996.

#### **Department Function**

The Business office provides accounting and financial reporting services for the University Student Union, Recycling Center, Student Recreation & Wellness Center, Child Development Center, and other ASI programs and departments. It monitors the operating budgets for all of the ASI programs and departments. It also serves as a bank for all of the University's student organizations as well as providing disbursement services for those organizations.

#### **ASI Personnel**

Ware, M.	Director, Administrative Services	Administrator II		
Aydin, I.	Accounting Manager	Administrator I		
Musselman, J.	Business Services Coordinator	Accounting Technician II		
Ohanesian, S.	Accounting Analyst	Accounting Technician III		
Nguyen, Kristy	A/R Technician	Accounting Technician II		

#### **Department Services**

#### **Accounts Payable**

This service audits disbursement requests for proper supporting documentation and arithmetic accuracy prior to the printing and disbursement of checks. We also prepare purchase orders to facilitate the ordering goods and services. We ensure that IRS form W-9 and California EDD Form 542 are submitted for all service agreements and performing artists. We withhold taxes for all non-resident alien disbursements.

At year-end we compile, print, and distribute IRS From 1099's to all providers of services to whom we paid \$600 or more during the calendar year. We also assist budget area representatives with purchasing and procurement policies and procedures. We identify and enter all new capital expenditures in the fixed asset software, and conduct periodic inventories to ensure asset accountability.

#### Accounts Receivable

This service establishes customer accounts and produces invoices for the Isabel Patterson Child Development Center, Conference and Event Center, Union Newspaper, program council, ASI communications, and USU vendor rents and utility billings. This service also distributes past due notices on unpaid invoices, and notifies department managers of older past due invoices for which they need to pursue collection efforts.

#### **General Accounting**

We enter all journal entries and process budget adjustments that are approved by the Board of Control, USU Board of Directors, and the Senate. We maintain the chart of accounts and integrate those accounts with the operating budgets. We produce financial statements that measure actual expenditures and revenues against those budgets. We review monthly trial balance reports to ensure they agree with the general ledger balance sheet accounts to ensure that the financial statements are accurate.

At year-end, we report all financial activity to the university for the purpose of integrating our financial statements into the University financial statements. We work with external auditors on the publication of our annual audited financial statements. Audit preparation involves reconciling balance sheet accounts. We prepare and post correcting and adjusting journal entries, and supply audit schedules and work papers that support our financial statements.

We reconcile checking and investment accounts and resolve discrepancies. We monitor the organization's cash flow requirements to ensure that enough funds are in our bank accounts to fund our anticipated disbursements. We transfer excess funds to our investment accounts. We prepare quarterly sales tax returns and assist our outside accounting firm in the preparation of our annual IRS 990 information return, and the States 199 information return. We perform audits of petty cash funds and examine the financial records of the Food Vendors having contracts with the USU for revenue sharing. We conduct periodic counts of the vault and imprest funds, and conduct physical inventories of fixed assets.

#### Cashiering

We serve as a bank for all of the student organizations. They deposit their money into agency accounts, and we process their disbursements from those accounts. We also process internal departmental budget area deposits and disbursements. Every disbursement request is audited for proper approval authorization, adequate funding, and supporting disbursement paperwork. We assist the student organizations and departmental budget areas by answering questions regarding account balances and disbursement policies. We also process payments for Child Care, Conference & Event Center, Union News ads, and Student Union Vendor rents.

We maintain cash funds in our vault for the University Student Union's commercial service activities. On a daily basis the cash from all commercial service areas is reconciled and deposited at our bank. We also provide cash boxes for special events in the building and house amusement park tickets in our vault until issued for sale. Notary services are also provided to the campus community, as well as the public.

### Department Function

As a condition of the recently approved ASI fee increase referendum, ASI has adopted a policy to budget adequately for the acquisition, repair, and replacement of capital assets. To accomplish this, ASI will includes in its annual operating budget a capital expenditures allocation. This allocation will be funded in an amount no less than the estimated depreciation expense for the coming fiscal year. The Capital Expenditure Planning Process will be initiated each year by the Office of the Executive Director in a memo to the division Directors that contains instructions for the capital budgeting process. The memo will request that each Director solicit, review, and prioritize initial capital budget requests for those departments that fall under his/her responsibility.

#### **ASI Personnel**

#### **Department Services**

#### **Fixed Asset Purchases**

The first priority for funding of fixed asset purchases will be given to equipment replacement. To be considered a replacement item, the purchase must be for the same item or an item that performs the same function as the item it replaces. Any item that expands the scope or purpose of the item it replaces will be considered a new piece of capital equipment.

#### **Capital Projects**

The first priority for funding of capital projects will be given to the completion of deferred maintenance identified in facility condition reports. Deferred maintenance is maintenance that was not performed when it should have been or was scheduled to be.

The Capital Expenditures allocation process will be subject to the following steps:

- 1. Initial Development and Review of Capital Proposals: June-July
- 2. Executive Director's Review of Capital Proposals: August
- 3. Board of Control Review: September
- 4. Project Authorized for Spending to Begin: Throughout the remaining fiscal year

ASI Communications

#### **Department Function**

Associated Students, Inc. (ASI) Communications is a department working to enhance communication throughout the organization and with the CSULB community. ASI Communications oversees and directs ASI's marketing, public relations, design, writing and website efforts. To do this, we work with each of ASI's seven major departments to assist with their communication needs. Our number one priority is to make sure that students, then faculty, staff and general campus community, can easily access information about ASI news, programs and events.

#### **Department Services**

#### **Internal and External Communications**

ASI Communications offers a variety of services for our ASI departments and for the CSULB community. Our services include, but are not limited to: Campus Newsletters, Archives, BeachSync, Photography, Media and Public Relations, Marketing Campaigns, Writing and Editing Copy, Websites and Marketing/Advertising.

Specifically regarding newsletters, ASI Communications will manage the curation, content development and distribution of 4-6 monthly publications including, but not limited to: Beachfront, Rec Report, Beach Balance updates, student-run media updates, weekly event/program updates, the student and full-time employee recognition programs and other spotlights as requested.

#### Web Development

The web development service area of ASI Communications is responsible for developing and maintaining websites promoting the news, programs, services and events of ASI to the students, faculty and staff of CSULB. Currently, there are seven websites within the ASI corporate website, including SRWC, Beach Pride Programs, Student Government, 22 West Media, and the ASI/USU site. The functionality of the websites is to easily access information, engage the campus community and provide an opportunity for students to interact with the organization. The websites are maintained by the web development team comprised of the communications manager, webmaster, and two web developer student assistants.

	Development Office	

#### **Department Function**

The Associated Students Development Office is responsible for the planning and implementation of fundraising activities to benefit AS programs and services. It seeks funds to strengthen existing AS programs such as Student Government, University Student Union, Isabel Patterson Child Development Center, CSULB Recycling Center, Student Recreation and Wellness Center, and Student Media.

Grant writing and the solicitation of businesses and individuals are the two primary fundraising strategies. The fundraising plan will incorporate grant writing, direct mail, face-to-face solicitations, use of volunteers, sponsorships, and friend raising among its activities. Supporters of Associated Students are in a unique position to have a direct impact on the student body of California State University, Long Beach.

#### **Fundraising**

The Development Office fundraising plan will incorporate the following strategies to raise money (external support) for Associated Students and CSULB.

- 1. Grant writing. Research and identify potential foundations, businesses, state, and federal funding opportunities to partner with to benefit AS affiliated programs.
- 2. Direct mail. Appeal letters will be personalized and appropriate signatures obtained for solicitation.
- 3. Face-to-face solicitations. Identify and cultivate donors. Perform personal "asks" to raise money. Build relationships for planned gifts.
- 4. Use of volunteers and sponsorships to generate revenue.
- 5. Research alternative giving methods for capital funds (special projects/building), endowment funds and planned giving.

#### **Friend Raising**

These activities are meant to attract student, alumni and external support to AS programs and services.

- 1. Implement donor relations and gift stewardship processes. Generate gift acknowledgement letters for donors and gift reports as needed.
- 2. Assist with AS Awards and Scholarship administration each spring.
- 3. Reconnect with alumni on a one-to-one basis, personal visits.
- 4. Attend and participate in University Relations & Development meetings and events.
- 5. Attend and participate in community functions to help promote AS programs and services.
- 6. Events such as Open Houses or receptions to showcase programs and build relationships.

#### **Department Function**

Associated Students Government facilitates development and successful involvement of students governing a nonprofit corporation serving CSULB students. This is accomplished by providing professional leadership development, historical perspective, and administrative guidance while serving with continuity in an organization driven by annual turnover of student leaders. Our goal is to be the opportunity of choice for students seeking to enhance their university education through extra-curricular activities, explore and develop their leadership abilities, and serve their fellow students.

#### A.S. Executive Officers

The 3 Executive Officers includes the President, Vice President & Treasurer

- The President is responsible for the proper conduct and efficient administration of student government activities, serving as the Chief Executive Officer of ASI and the official representative of students to the University. They are supported by a Cabinet of Presidential Commissioners, Chief Academic Officer, Chief Government Relations Officer and the Chief Diversity Officer.
- The Vice President assists the AS President and serves as Chair of the AS Board of Directors/Senate. They work to ensure that each AS Senator is properly oriented and trained in their responsibilities as Senator and that they maintain regular attendance and involvement in AS Senate meetings.
- The Treasurer is responsible for the financial administration of the Associated Students, serves as Chair of the Board of Control, and oversees the preparation of the annual operating budgets of the corporation.

The A.S. Presidential Cabinet is supervised by the Chief Diversity Officer and the AS President. Students are interviewed by the President and Chief Diversity Officer, and confirmed by the AS Senate. The purpose of the Cabinet is to establish specific connections with various groups on campus and assist the President in campus, city, or state- wide related duties. The Commissioner positions are outlined in the current copy of the AS Bylaws and include: Commissioner for AB540 & Undocumented Students, Cultural Affairs, Disability Affairs, Environmental Justice, International Student Affairs, LGBTIQ+ Affairs, Pregnant & Parenting Students, Wellness Affairs, Women & Gender Equity Affairs, and Veterans Affairs.

The **A.S. Senate** serves as the Board of Directors to the corporation, as well as a legislative body representing the students in CSULB's system of shared governance. Senators are responsible for determining opinions, needs and desires of their respective constituents on a broad range of issues affecting students. Senators attend weekly meetings during the academic year and maintain a minimum of three office hours per week to remain accessible to their public. All Senators must serve on at least two university/ASI committees and/or boards. For Senators representing specific colleges, their College Council meetings count as one board. With the inclusion of Year-Round Operations, Senators attend monthly meetings during the summer.

The Board of Control (BOC) develops and recommends policy to the AS Senate in the administration of business affairs, finance and human resources. The BOC is also responsible for the preparation of ASI's annual operating budget. Two Senators serve on the BOC, elected by the AS Senate. The BOC meets weekly during the academic year and monthly in the summer.

The **A.S. Judiciary** consists of the Chief Justice and six Associate Justices, all appointed by the President and confirmed by the Senate The Judiciary is responsible for interpreting the provisions of the AS Bylaws and all other AS documents when a dispute arises. They are empowered to review the actions of any AS agency, body, organization or officer upon request by a petitioner in the form specified in the AS Judiciary Operating Manual. The AS Judiciary is responsible for approving the Elections Handbook, assisting the Government Elections Officer with monitoring campaign activities and is the final authority in all contested elections.

Lobby Corps is a sub-committee under the Senate that is responsible for lobbying locally and statewide on behalf of CSU students. It meets weekly to track and review bills that help the overarching success of higher education in the State of California. Three Senators and three students-at-large serve on Lobby Corps, elected by the AS Senate. Lobby Corps is chaired by the Chief Government Relations Officer.

Social Justice & Equity Committee (SJEC) is a sub-committee under the Senate that is responsible for developing programs and policies that advance social justice and equity on campus and serves as a liaison between students and the university regarding campus climate issues. Two Senators and three students-at-large serve on SJEC, elected by the AS Senate.

The **Beach Team** is a mentoring and volunteer program for first year and transfer students interested in getting involved on campus, particularly with student government. The Government Affairs Graduate Assistant is in charge of selecting and fostering cohesiveness of the Beach Team. One of the goals of the program is to volunteer at ASI events and programs. Beach Team members are also paired with a mentor who is currently in student government. Another goal is to encourage members to apply for student government positions the following year. Beach Team meets weekly.

The University Student Union Board of Trustees (USUBOT) is responsible for the oversight of the University Student Union (USU) and Student Recreation & Wellness Center (SRWC), as well as programs designed to benefit CSULB students. The five student Trustees-at-Large are elected by the CSULB student body during the ASI General Election. There are four sub-committees of the USUBOT, campus relations, facilities, program evaluation and services. Each student trustee chairs one of the sub-committees and one student is elected by the USUBOT to chair the formal board meetings. Two Senators serve on the USUBOT, elected by the AS Senate. The USUBOT meets once a month, including summer.

The Isabel Patterson Child Development Board of Trustees (IPCDC BOT) is responsible for the oversight of an early childhood education and childcare program for the children of CSULB students. The four student Trustees-at-Large are elected by the AS Senate. One Senator serves on the IPCDC BOT, elected by the AS Senate. The IPCDC BOT meets once per during the academic year.

Department
Human Resources Office

#### **Department Function**

The Human Resources Department provides centralized support to ASI, its students, staff and student governance. We work with employees and management as a liaison between all involved to keep the company running smoothly. We assess and revise all part-time/full-time position descriptions as well as accomplish ASI's equal opportunity staffing objectives by recruiting, interviewing, and evaluating candidates for all part-or full-time positions as well as conducting background verifications for full-time staff. We are responsible for ensuring ASI's pay scale complies with ever changing State and Federal laws and regulations, as well as administering the performance evaluation system. We advise employees regarding benefit enrollment, insurance claims for workers' compensation, State and Long Term Disability, unemployment insurance, and Leaves of Absence. We initiate competitive bidding processes through AOA and an insurance broker to obtain the best possible benefits at lowest possible cost. The Human Resources Department is instrumental in providing Labor Law compliance, record keeping, selection and retention, classification and compensation, staff recruitment, employee training, professional development, employee relations, risk management, time and attendance and payroll.

#### **Department Services**

**Employee Training and Safety** Administers all safety activities to ensure compliance with ASI's Occupational Health and Safety program. This includes providing annual reports and distribution of Employee Safety Manuals and organizing safety training for staff. We administer the workers' compensation program and issue reports related to occupational illness and injury. We also identify and assess training needs within ASI by meeting with supervisor/manager. We develop, organize, conduct, evaluate programs and activities, and create monitored simulations and various problem solving scenarios.

Human Resources Information Systems HRIS ensures compliance with Federal and State compensation laws, statues, and regulations. We develop compensation programs, policies and procedures to meet the needs of ASI users. We evaluate positions consistently by classifying into appropriate job titles and ensuring they are internally equitable, while being market competitive. We develop and maintain classification and compensation structures. We provide and administer all ASI benefit programs, tax deferred annuities, and retirement programs. We maintain employee and retiree database. We maintain all employee records to ensure compliance and confidentiality. We advise all HR liaisons and managers on employee-related matters, including processing of all HR transactions, and respond to record requests in timely manner.

Payroll and Benefits Administration The Human Resources Department administers payroll processing and fringe benefit payments for all ASI employees, requiring current understanding of Federal, State and local regulations regarding payroll to provide accurate information to customers. We monitor, edit and process two (2) semi-monthly payrolls from an automated time and attendance system as well as administer the direct deposit program. Payroll ensures all deductions, benefits and taxes are correctly deducted, and reported timely to appropriate agencies. We advise HR liaisons and supervisors in payroll related matters, including processing salary payment, time and leave reporting as well as other related reporting. We calculate and remit all monthly premiums for fringe benefits, various insurances, and retirement payments for all eligible full-time employees.

**Employee Relations** The Human Resources Department facilitates the resolution of employee grievances through coordination of conflict resolution procedures. We provide supervisors sound and consistent advice in all employee labor related matters to increase job productivity, engage employees, improve job performance, and reduce turnover. We consult with and assist employees with issues, concerns, or difficulties they may be experiencing at the workplace. We consult with and advise management on the progressive disciplinary process and implement actions accordingly. We serve as a liaison with the Faculty Staff Assistance Program. We coordinate the Employee Service Award Program and other recognition programs. We develop, update, and distribute Personnel Policies and Procedures Manuals, the Student Employee Handbook, and develop and administer the On-Boarding programs.

Department

Isabel Patterson Child Development Center

#### **Department Function**

The IPCDC provides access and opportunity for CSULB student parents. Services include affordable child care, parent education, employment for CSULB students, and a developmentally appropriate high quality program for infants, toddlers, preschool and school age children. The CDC is accredited by the National Association for the Education of Young Children. The CDC is licensed by the CA Department of Health and Social Services and regulated by Title 22 and Title 5. Grants from the CA Department of Education-Child Development Division and the U.S. Department of Education Child Care Access Means Parents in School Program (CCAMPIS) help low income parents afford childcare. Nutritious meals are served to children each day. The Child and Adult Care Food Program (CACFP) from Nutrition Services Division-CA Department of Education provides reimbursement for food costs. The ASI, CSULB, CA and US Departments of Education all help the CSU mission that the Isabel Patterson Child Development Center provides high quality early education and development programs rooted in relationships based on trust, respect, and acceptance which enable student parents to achieve their educational goals while allowing their children to reach their full potential.

	Post Employment Benefits	

## **Department Function**

The Post Employment Benefits program provides for the accumulation and investment of resources to pay for the cost of pension and the medical and dental benefits for staff hired before January 1, 2013 at which time ASI eliminated this portion of the benefits due to escalating costs.

## ASI Personnel

Name	Title	Classification

## **Department Services**

## **Retiree Health Benefits**

For staff hired before January 1, 2013, ASI provides full-time employees two (2) post-retirement medical vesting plans and two post retirement dental insurance plans. Plan eligibility is based on specific requirements determined by the employee's date of full-time employment, years of service, date of retirement, and any applicable crossover provisions between medical plans.

## **PERS Unfunded Accrued Liability**

This budget item represents the annual required payment on the Unfunded Accrued Liability (UAL), which is the amortized dollar amount needed to fund past service credit earned (or accrued) for members who are currently receiving benefits, active members, and for members entitled to deferred benefits, as of the valuation date. Previously, this amount was included as part of line item 709 Full-Time Benefits. It is now being disclosed separately to allow for better tracking and monitoring. The amount indicated in the budget represents the current year portion needed to fully fund the liability over a 30 year amortization schedule. It represents 40% of the total amount needed, with the remaining 60% being included in the budget for the University Student Union.

Department
Recycling Center

## **Department Function**

ASI Recycling facilitates recycling and sustainability operations for CSULB and the surrounding communities. The program fosters student involvement in environmental issues while providing convenient options for recycling on campus. Student employees learn valuable resource management skills while developing other skills in operational management and customer service.

	Student Media	

## Department Function

Student Media is comprised of three student run services: 22 West Radio, 22 West Video and 22 West Magazine. All three services are advised by a faculty advisor and coordinated by a full-time ASI staff member. Included in these services are training, education, practicum and hands-on experience in all three media platforms: radio, television and publication, both off and online. In addition to daily, weekly content production, a full schedule of extracurricular workshops provide a practical learning environment for students, staff, faculty, alumni and community volunteers. 15 internships are available each semester, all internships are available for class credit.

#### 22 West Radio

22 West Radio provides 24/7 programming on 88.1 FM HD 3, and on three internet streams on 22westmedia.com, FM HD stream and 22 West Workout, programmed for the Student Recreation and Wellness Center. 22 West Radio streams are programmed with music, talk; sports talk and live Long Beach State sports broadcasting. Paid student employees and volunteers provide the management and staffing of the radio facility.

22 West Radio provides employment opportunities for nine students, and includes programming and services from 50+ student volunteers. 22 West Radio Sports serves students, the Athletics Dept. and the community by providing the broadcasts for live streaming of play-by-play for men's basketball, women's basketball, baseball, volleyball and softball.

22 West Radio provides 15 internships a semester through a partnership with the College of Liberal Arts and Dept. of Journalism and Public Relations. 22 West Radio also provides extra-curricular workshops in basic broadcasting skills, ethics, writing and production, copyrights and FCC regulations. 22 West Radio provides commercial production, public service announcements and DJ services for all departments, campus organizations, and clubs.

22 West Radio now provides Spanish Language programming in news, sports and contemporary topics. 22 West Radio works with closely with the Student Media Coordinator and a Journalism Dept. faculty advisor.

## 22 West Magazine

22 West Magazine publishes a magazine format paper in print and online during the academic year. From its inception in 1977 as "The LB Union Weekly", 22 West Magazine has been a staple of the campus community. 22 West Magazine is proudly student-run, curated solely by students, for students

Anyone - student, alumnus, faculty or staff - is welcome to contribute to 22 West Magazine. All students have an opportunity to participate and are provided with hands-on training in the latest digital publication software, and in the creation and publication of written and online content. 22 West Magazine is accessible to the CSULB campus through print distribution and on its website, and is responsible for off-setting the number of issues printed by generating revenue through advertising sales.

Currently the magazine is printed in hard copy edition once a month, and publication is nearly daily in the web edition online at <a href="www.22westmedia.com">www.22westmedia.com</a>. The 22 West Magazine staff is advised by ASI staff, media professionals as well as University faculty.

#### 22 West Video

22 West Video produces video content for 22 West Media and delivers them on the 22 West website, YouTube and on social media platforms. It's purpose is to allow students from various disciplines the opportunity to be involved in the production of a both cinematic and journalistic content that is of specific interest to students at Long Beach State.

22 West Video has incorporated new ideas from its highly talented contributors, made up of both paid and volunteer student staff. 22 West video is a learning laboratory for students. It offers 8 internships a semester, available for class credit through the Dept. of Film and Electronic Arts. Weekly workshops in lighting, video editing, camera work, and audio recording provides the bulk of extra curricular training and are lead by the student leadership of 22 West Video. 22 West Video works with closely with the Student Media Coordinator and a Journalism department faculty adviser.

Student Organization Activities

## **Department Function**

Associated Students is committed to the development and preservation of a vibrant student community, and believes firmly that student clubs and organization play a vital role in that effort. Although not formally organized as a "department" of Associated Students, services for student organizations have been aggregated here for budget presentation purposes. Services include grants of financial assistance for student organization programs and activities, as well as budget reserves to fund new requests or augment existing grants.

## **Department Services**

#### **Athletic Facility Fee Waivers**

This service offsets costs incurred by university-recognized student organizations for their use of CSULB athletic facilities. Fee waivers are issued on a first-come, first-served basis. Student organizations must be university-recognized, not on probation, and currently registered with the Office of Student Life and Development in the semester during which the waiver is requested. Fee waivers are issued for athletic or recreational events only and can only be issued for events in which CSULB students, faculty, or staff are the intended participants or audience.

#### **Club Sports**

Many students who come to this university would like to continue in their athletic pursuits. As a major college institution, with one of the best Intercollegiate Athletic Programs on the West Coast, this is not always possible with only the top one percent able to participate at the Division I level. Through the Club Sports Program, the Recreational Sports Department offers these students, as well as students wishing to explore new interests, an opportunity to continue in their athletic endeavors. Each club offers something unique – from the highly competitive club that travels throughout the United States to the recreational club that teaches basic skills and promotes social gatherings.

### **College Council Grants**

For funding the programs of academically related organizations, the Associated Students delegates authority to the coordinating councils of the seven colleges of the university. These College Councils are authorized to evaluate grant applications submitted by their respective member organizations and determine appropriate funding levels for them within guidelines established by the Associated Students.

#### **Student Organization Grants**

The Associated Students makes grants of money available to student organizations to assist in their programming efforts. These grants are used to produce events and activities to meet the educational, social, and recreational needs of the student body. Student organizations that are not affiliated with one of the seven college councils may appeal for funding directly to the A.S Board of Control. The Board reviews programs for quality and cost-effectiveness then makes funding recommendations for Senate approval. The programs for which funds are requested must have the intent of accomplishing any of the following:

- · Promoting an awareness and understanding of the ideas, customs, arts, languages, and social contributions of specific cultures;
- Aiding in the retention and graduation of currently enrolled CSULB students;
- Providing students with opportunities for on-campus social interaction; promoting discussion or debate of public issues from a variety of perspectives or viewpoints;
- Supplementing or enhancing academic preparation or development;
- Promoting students' physical and emotional well-being;
- Promoting or sponsoring public service to the surrounding community;
- Developing professional or career-related skills; or
- Promoting academic performance and excellence.

#### **Current Year Unallocated Fund**

As part of the annual budget, the Associated Students maintains a Current Year Unallocated Fund for augmenting existing budgets or funding new requests that may arise during the course of the fiscal year. Applications for funding are reviewed by the Board of Control, which forwards its recommendations to the A.S. Senate for final approval.

## **Department Function**

A substantial portion of income derived from mandatory student fees is returned to the student body in various forms of financial assistance. Although not formally organized as a "department" of Associated Students, these efforts have been combined for budget presentation purposes to provide a clearer picture of ASI's contributions to educational access and student retention. Including the Athletic Scholarship program housed under the Beach Pride Fund, the Associated Students provides over \$800,000 in financial assistance to students in the form of scholarships, book grants, and travel subsidies.

#### **After Hours Study Center**

In response to popular student demand, this budget provides funding to staff an After Hours Study Center. The study center includes a designated 24-hour "study room" in the West Wing of the USU and for the designation of the entire West Wing as an after hours study center for the hours of 11:00 PM to 7:00 AM.

#### ASI Scholarships

In order to help offset the financial impact of increasing tuition and fees, the Associated Students is re-establishing a Scholarship Fund to provide scholarships for currently enrolled CSULB students. The scholarships are funded from capital gains on ASI's investment portfolio.

#### Beach Pantry

The ASI Beach Pantry provides students in need with a sustainable program to support their basic necessities. The ASI Beach Pantry houses other programs in its location, such as the Swap Shop and Cal Fresh counselor, as well as promotional supplies regarding other Basic Needs programs offered on CSULB.

#### **EOP Book Grants**

Each year, approximately 100-150 low-income, first-generation students experience financial aid disqualification at the end of the previous academic year or encounter complications in the renewal of their financial aid. To ensure these students are able to keep pace with their coursework, a grant is made available so books and other necessary class materials may be purchased. The students are identified by a report provided by the Financial Aid Office. These are students who were on financial aid disqualification but have since made up their unit deficiencies and their reinstatement is pending.

#### Student Emergency Fund

The allocation represents ASI annual contribution to the university's Student Emergency Fund, which has been established to assist students who are experiencing temporary financial distress whether it be in the form of loss of housing, medical emergencies, food insecurity, car accidents, theft, etc.

### **Student Research Grants**

This allocation provides funds to eligible and qualifying students who need financial assistance in order to conduct academically-related research projects, including field research expenses.

#### **Student Travel Fund**

Through this program, the ASI underwrites the transportation expenses of students who have been invited to present original, scholarly works or performances at academic and professional conferences, institutes, and exhibitions. Whether performing an original musical composition or presenting research findings in microbiology, the Student Travel Fund enables CSULB students to establish academic reputations both for themselves and for the university, while advancing the reputation of CSULB as a first-rate institution of higher learning and academic excellence, both domestically and internationally.

#### **Study Abroad Grants**

This allocation provides funds to eligible and qualifying students who need financial assistance in order to participate in Study Abroad programs. ASI's \$50,000 allocation is matched by the College of International and Professional Education, providing a total pool of \$100,000 to help underwrite students' study abroad expenses.

## **Department Function**

Our mission is to cultivate leaders and champions. We accomplish this by providing the best possible experience for our students in the classroom and on their respective fields of competition, building and sustaining winning programs, and by doing things the right way.

The Department of University Athletics sponsors a diverse program of intercollegiate athletics for both women and men at the Division I level, competing under the rules of the National Collegiate Athletic Association (NCAA). We are comprised of 19 sports teams that compete in three different conferences, which provide 350 student-athletes the opportunity to participate in intercollegiate Athletics. ASI's support of University Athletics also includes operating funds for the Long Beach State Spirit Teams, consisting of the Cheer and Dance teams, and the Beach Pep Band.

## **Athletic Scholarships**

Associated Students, Inc. provides a baseline funding of \$300,000 annually allocated specifically to student-athlete scholarships. This funding allows LBSU to compete on a national level. Of our 350 students, approximately 260 receive aid in one way, shape, or form be it tuition, books, or stipend.

### **Spirit Team**

Approximately 20 students comprise the cheer and dance teams. Through the ASI resources these students work to build campus pride while performing at home athletic games in the Walter Pyramid, Blair Field, pep rallies, conference tournament play, and various other University events. The Cheer Team and Dance Team participate in national competitions on behalf of the University. Tryouts are held annually in the spring followed by mandatory summer camp. Students are required to keep up their academics and meet a demanding practice and performance schedule throughout the academic year.

#### Pep Band

Sitting adjacent to the student section in the Pyramid, the Beach Pep Band brings the LBSU Athletics War Song to life. "You don't wanna go to war... with the Niners... LET'S GO BEACH!" Brass instruments harmonize the melody; a lonely drummer keeps the tempo, and everyone around claps and shouts those lyrics during a game. Without the financial resources provided by ASI, these student musicians would not be able to make the in-game experience possible for our students and fans and show overall pride in our university.

Department
USU Administration

## **Department Function**

The USU Administration department works to ensure that the operation of the University Student Union is conducted in accordance with sound business practices, bond requirements, professional college union standards, and system-wide regulations governing auxiliary organizations of the California State University. Activities include management of all USU staff, programs, and facilities, preparation and submission of budget and cash flow statements to the Chancellor's Office, participation in the professional associations such as ACUI, AOA, and NACAS, strategic and operational planning, and routine assessment of USU facilities, programs, and services. The USU Administration department also undertakes activities to ensure that the USU Board of Trustees complies with all campus and State regulations. Activities include record preparation, distribution and approval of minutes for USUBOT meetings, as well as follow-up and monitoring of compliance with board directives and request for information.

## **Department Services**

## **Investment Program**

Surplus funds not needed for current operations are deposited in investment accounts as authorized by the California Education Code and ASI policy. Earnings from investments help to offset the general administrative costs of the University Student Union.

#### **Retiree Benefits**

The corporation is responsible for providing medical and dental insurance to qualified annuitants who retire from service with ASI. By July 1, 2017, eight such persons qualified for this benefit.

## **University Student Union Board of Trustees (USUBOT)**

The USUBOT is responsible for the oversight of the USU facility and programs. The duties include approving and monitoring the annual budget of the USU, establishing fees for facility use and services, and approving policy for all phases of operation.

## **PERS Unfunded Accrued Liability**

This budget item represents the annual required payment on the Unfunded Accrued Liability (UAL), which is the amortized dollar amount needed to fund past service credit earned (or accrued) for members who are currently receiving benefits, active members, and for members entitled to deferred benefits, as of the valuation date. Previously, this amount was included as part of line item 709 Full-Time Benefits. It is now being disclosed separately to allow for better tracking and monitoring. The amount indicated in the budget represents the current year portion needed to fully fund the liability over a 30-year amortization schedule. It represents 40% of the total amount needed, with the remaining 60% being included in the budget for the University Student Union.

## **Department Services**

#### Games Center

The University Student Union Games Center offers bowling, billiards, table tennis, swimming pool and console/pc gaming. The Games Center also offers rental space for university bowling classes as a supplement to campus programs. The student staff supervises and oversees the daily operation for this area, gaining valuable experience in customer service, programming, cash handling, computerized registers, marketing, and assisting with special events and tournaments.

#### Information/Copy Center

The University Student Union Information/Copy Center provides access to PC's and printers, sells discount amusement park and movie tickets, and serves as a centralized location to obtain information or directions about the campus or ASI/USU programs and services.

## **Lease Operations**

The University Student Union subleases space to university departments and commercial vendors with the intent of providing services, which the USU could not provide, financially or operationally. Revenue generated from these subleases are included in this budget.

#### **Retail Services**

The University Student Union Commercial Services department provides oversight of the Candy Corner. The students working in this area gain experience with customer services, cash handling, computerized registers, inventory and sales. The Candy Corner offers a variety of snacks, candy, sundries and drinks.

#### **Campus Events Office**

The Campus Events Office receives, records, and confirms reservations in the University Student Union and CSULB campus. The staff assists event planners with selection for appropriate space, equipment, staff support and room set-ups to maximize the effectiveness of programs and activities. The staff advises and assists event planners in obtaining proper clearances, securing approvals for their events, and ensuring they are appropriately invoiced for the services rendered by the University Student Union.

### **Building Management**

This service ensures the safety and security for the USU. The area works in conjunction with the Campus Events Office to ensure customer service needs are met for meetings, conferences and events held in the USU.

## Maxson Center

The Maxson Student Organization Center provides office space and administrative support for 33 student organizations. The objective is to foster active communication, cultivate student engagement, and promote cultural diversity. This is accomplished by creating an atmosphere that facilitates social interaction among the representatives of CSULB's diverse clubs and organizations.

Department		
	Facility Operations	

## **Department Function**

The purpose of the Facility Operations department is to provide properly operating, comfortable, well-maintained, safe, and pleasant environments for the occupants of the USU and SRWC. Additionally, Facility Operations provides project management to oversee capital outlay projects and building repairs within the USU and SRWC. This is accomplished through a combination of standard industry practices, compliance with all in-force Codes of Ordinance, and the creative use of materials and methods in conjunction with a well-designed and executed preventive maintenance program.

## Department Services

### **Building Improvements**

The Building Improvements department is designed to plan, direct, and coordinate the activities of designated capital repair and replacement projects to ensure that goals or objectives of projects are accomplished within prescribed time frame and funding parameters. The funds approved for this department are used for periodic repairs or improvements to the facility.

#### **Facility Maintenance**

This department provides the proper maintenance, repairs, and troubleshooting of all building systems, equipment and structures. The department provides customer service and technical support to all staff, tenants and students within the ASI facilities. The supervisor and facilities maintenance technicians serve as liaisons for customers, vendors and contractors providing services for the buildings. Maintenance oversees the exterior of the buildings which includes landscaped services for various ASI facilities provided by our landscaping contractor.

#### **Facility Services**

Cleaning and maintaining a safe and enjoyable environment within the USU and SRWC is the focus of this service. Facility Services prepares meeting rooms, completes set-ups, rearranges and maintains furniture for event planner functions, as well as, general use of the buildings.

#### Sustain L

This area provides support and serves as a resource for the USU, ASI, and the campus on sustainability issues. Sustain U works with ASI and the CSULB campus in meeting local, regional, and federal goals related to the Campus Climate Action Plan, the American College and University Presidents' Climate Commitment, as well as other applicable programs that educate and advocate for a more sustainable campus.

## **Department Services**

#### **Programming**

Beach Pride Events maintains a standard of high quality events within the USU to enhance the collegiate experience of all students on campus. The council is comprised of students from all across campus who plan and execute a variety of events. The organization provides opportunities for students to gain experience in leadership, event planning, time management, professional development, and networking opportunities within the campus and community.

### **Permanent and USU Art Galleries**

The Permanent Art collection was established to highlight CSULB student artists and to enhance the aesthetics of the University Student Union. It serves as an ongoing student exhibition and marketing tool for the USU. The USU Art Gallery was developed to feature currently enrolled student artists, faculty, staff and alumni.

#### **Major Events**

Major Events is a function within Beach Pride Events charged with providing detailed and quality large-scale speaker and novelty events for the campus.

## Assessment

This functional area works with all ASI departments to provide a corporate assessment plan to ensure the alignment of ASI programs and services with ASI's goals for student development, engagement and success. Assessment efforts include needs assessments, student satisfaction surveys, program evaluations, and student learning outcomes assessments.

## **Department Services**

### **Video Productions**

ASI Comm Video Productions is the multimedia arm for the University Student Union and Associated Students, Inc. (ASI). ASI video productions produces videos for corporate events and campus departments, while offering volunteer and forcredit opportunities through internships. With video content on social media drawing the most attention (views) and generating the greatest reach, video productions works very closely with the graphics and marketing teams to inform students about campus on goings.

## **Graphics**

Graphics is dedicated to providing design, conceptualization, and printing services to the University Student Union (USU) and ASI Communications Department. Graphics provides creative solutions to on-campus student organizations and university departments. The department offers internships for students and is a learning laboratory for those interested in the graphics industry.

#### Marketing

The goal of the Marketing department is to create awareness of ASI. The department works cohesively with all USU and AS departments to ensure student and client traffic throughout the fiscal year. The Marketing department encompasses social media. The Marketing department supports annual assessment efforts for the University Student Union through customer satisfaction measurements, benchmarking, customer counts, comment cards, and signage review.

## Department Services

### Aquatics

ASI Recreation's outdoor swimming pool and sand volleyball court have designated lap swimming lanes, as well as a recreation swimming area. The pool is open for lap swimming, open recreation and some scheduled programming. CPR and lifeguard certifications are offered each semester. Specific programming includes swim lessons, outdoor movies, inner tube water polo, paddle board races, kayak races and swim into shape. Participants will be able to improve their overall health and wellness and learn new skills. Annual participation rates exceed 12,000.

## **Business Operations**

ASI Recreations Business Operations provides departmental oversight to all business and commercial related commerce that ASI Recreation is involved in. This would include all cash handling centers, facility rental/reservations, lease operations, and retail services. The Business Operations department works collaboratively with Facility and Maintenance departments. Building Management handles facility security and ensures the safety of its members and guests.

#### **Fitness Program**

ASI Recreation's fitness program is designed to satisfy all of one's fitness needs and offers a diverse set of activities, classes, and services. The major components of the fitness program are free fitness assessments, personal training, group fitness classes and instructional based classes. The program offers over 50 free fitness classes each week including yoga, Pilates, spin, Zumba and cardio/strength formats. The instructional based classes are designed for progression and include several martial arts classes, TRX, boxing 101 and more. Participants will be able to increase their overall health and wellness, decrease stress levels, meet new friends and learn new skills that may last a lifetime. Annual participation rates exceed 36,000.

#### **Intramural Sports**

Intramural Sports offers opportunities to participate in sports activities on a recreational level. Participants, in this fee-based program, can sign up as a team or individually as a free agent. Leagues and tournaments are available in a wide variety of indoor/outdoor sports. These sports include, but are not limited to basketball, volleyball, softball, soccer, football, badminton and racquetball. Semester tournaments are also offered in a variety of formats. Participants will be able to increase their overall health and wellness, meet new friends and learn new skills. The program also offers officials clinics to be able to hire students as officials in the program. Annual participation rates exceed 2,000.

#### **Member Services and Marketing**

ASI Recreation's Membership Services & Marketing provides oversight to all membership related activities for the department including but not limited to new membership registration, front desk staffing, facility tours, and more. It also serves as the conduit for all the programmatic areas for the department with ASI Communications in order to ensure uniform and seamless marketing programs for the department. This department is responsible for approximately \$600,000 in revenue.

#### The Rock and Outdoor Adventures

ASI Recreation's Rock & Outdoor Adventures program provides climbing classes, anchor building, bouldering, team building, camping, hiking, sailing and more. Participants are also able to rent outdoor equipment for specific activities. Other program offerings include the mile high challenge, belay a mile, slacklining, game night, and more. Participants will be able to experience a variety of outdoor trips, make new friends, learn new skills and increase their overall health and wellness. Annual participation exceeds 9,000.

#### Beach Balance/USU Beach Balance

Beach Balance aims to promote personal well-being, from a holistic approach, by empowering members of the CSULB community to make healthy lifestyle choices. Beach Balance offerings include programs about nutrition, stress management, biofeedback, and overall health education. Specific programs include meditation classes, nutrition counseling, massage therapy, nutrition & fitness workshops, naps in hammocks, and more. Participants will be able to improve their interpersonal development skills, decrease stress levels and gain knowledge from a variety of formats. Annual participation rates exceed 11,000.

#### **Inclusive Recreation**

Inclusive Recreation provides people with cognitive, physical, and sensory disabilities to expand their access to opportunities that promote health, wellness and greater functional independence by delivering barrier-free programs in which both people with disabilities and their non-disabled peers may participate, collaborate and recreate. Specific programming includes no barriers climbing, goal ball, wheelchair basketball, dark climb, self-defense and more. Annual participation exceeds 1,000.
