

ELECTIONS 2020

2020 ASI ELECTIONS

PETITION SHEET

Explain the nature of your platform to LBSU students. All signatures must have a complete Student Identification number (not social security number) next to it to be a valid signature. If you do not know your Identification number you can obtain it through Enrollment Services on the first floor of Brotman Hall. If you are seeking an executive office position, you must obtain 100 valid student signatures on the petition form provided. Those running for a college senator position must obtain 50 valid signatures of only students in majors from that college. Candidates for all other offices must obtain 50 valid student signatures. It is advisable to obtain a few more signatures than required, as this will insure the validation of your petition in case some signatures are invalid.

The following members of the student body join me in this petition:
